**USAPI Vaccine Summary Tables and Charts:**

*\*Note that all data except for those detailing Outer Island coverage rates comes directly from Tiberius. Thank you to Katrina Myers and the entire USAPI Tiberius Team for helping assemble "Dr. B's Famous Slide-set." Thank you to the jurisdictions who enter this data into WebIZ each day to keep it up to date.*

*\*Outer Island data was provided by each jurisdiction based on their outer island outreach activities. Because of this, there may be discrepancies between the two data sets (Tiberius and the Jurisdiction Outer Island Data). Also, some jurisdictions have yet to report their data in detail. Thank you to Dr. Haley Cash for assembling the Outer Island table and each of the jurisdictions for collecting and reporting this unique, yet important data.*
