YOUR COVID VACCINE SHOTS.**

round-table discussion with officials from the US Department of Energy (DOE) last week Wednesday at the school's student lounge.

Visiting DOE officials Kevin Dressman, Director of the Office of Health and Safety, and Program Manager for Marshall Islands Herbert Carpenter talked to the students

Bikini and Enewetak.

US Embassy Public Diplomacy and Economic Officer Rebecca Taylor joined in on the discussion.

The visit was facilitated by the RMI National Nuclear Commission Office.

This was the first visit by Dressman and Carpenter to the Marshall Islands.
